Prayer of St. Francis

*Lord, make me an instrument of your peace,
Where there is hatred, let me sow love;
where there is injury, pardon;
where there is doubt, faith;
where there is despair, hope;
where there is darkness, light;
where there is sadness, joy;
O Divine Master, grant that I may not so much
seek to be consoled as to console;
to be understood as to understand;
to be loved as to love.
For it is in giving that we receive;
it is in pardoning that we are pardoned;
and it is in dying that we are born to eternal life.*

History

In 1991, after St. Francis Hospital merged with the Olean General Hospital, the St. Francis Hospital Corporation became the St. Francis Ministries Corporation. This Corporation served as the depository of the proceeds from St. Francis Hospital. The funds were to be used to support, to make grants and to benefit the charitable ministries and works consistent with the historical health-related mission and ministries of the Franciscan Sisters of Allegany.

In 2000, the Franciscan Sisters of Allegany re-named the St. Francis Ministries Corporation to the Dr. Lyle F. Renodin Foundation, as an expression of gratitude to their longtime friend. Lyle F. Renodin, Ph.D. is a former student and financial advisor to the Franciscan Sisters of Allegany. He retired as a partner in the accounting firm of Walquist, Renodin & Miller and presently resides in Albany, New York.

"Elderly patients come to the hospital and are discharged to a nursing home. Sadly, many do not have the bathrobe and slippers needed to be accepted into a home. Renodin funds have helped meet these needs by purchasing the required items." ~ The Franciscan Outreach Program helps to keep

the Franciscan heritage and St. Francis Hospital alive at Olean General Hospital.

Helping Our Neighbors

The Dr. Lyle F. Renodin Foundation has helped thousands of our poor and marginalized neighbors through small grants totaling over \$300,000.
